

KnowledgeLake Campus Guide

We look forward to your visit to the KnowledgeLake Campus in St. Louis! Please use the information below regarding local lodging, transportation and amenities to plan your stay.

Lodging

Our hotel recommendations are the [Sheraton Plaza Tower](#), [Sheraton Chalet](#) or the [Doubletree Westport](#), all of which provide shuttle to and from the hotel as well as to and from our office building. We've arranged a special KnowledgeLake rate. If traveling by air, you will fly into Lambert St. Louis International Airport (STL).

All three hotels are located in the Westport area, with access to over 15 restaurants, nightlife, and entertainment venues such as Pujols 5, Drunken Fish, Trainwreck Salon, and the Funny Bone Comedy Club, plus many more (*see below*)! Upon check in, you will receive more detailed information about the local area, as well as shuttle specifics to the local office.

WHY SHOULD I BOOK MY HOTEL AT ONE OF THE RECOMMENDED PROPERTIES?

As the organizer of the KnowledgeLake Training Class recommended hotel rooms, we wanted to take a moment of your time to explain the importance of booking your hotel room with the link provided:

- We are eager to pass along cost savings to you - our customer. Therefore we have established a contracted rate, based on total room nights, at a few area hotels. These hotels can be found by clicking the below link, and the room nights are then tracked to KnowledgeLake thus providing a cost savings for KnowledgeLake and to the end user and most important aspect of it all - you - the customer. Those total room nights are tracked by the hotel and communicated to KnowledgeLake, as we don't really have any other way to know where you are staying if you don't book with through the below link. So, your rooms are important to the overall cost savings for the future.
- We have an established relationship with the recommended area hotels, and feel confident in that these properties are a good fit for your accommodation need while in St. Louis. If you need anything additional before, during, or after your stay, we can assure you the hotel contact can assist.

Transportation

- 24-hour complimentary transportation to/from Lambert International Airport
- Transportation to/from the KnowledgeLake campus at 8:30 am and 4:15 pm
